

Iowa Energy Center Request for Pre-proposals 2012-2013: Research and Demonstration Projects

The Iowa Energy Center seeks pre-proposals for Research and Demonstration projects. **The pre-proposal deadline is 11:59 p.m. October 31, 2012.** Awards made under this RFP will have a start date of July 1, 2013.

Funds to support the Energy Center's grant programs are derived from an annual assessment on gross intrastate revenues of gas and electric utilities in Iowa. Funds for this RFP are derived from utility revenues for calendar year 2012. The amount received from the assessment varies from year to year.

The full solicitation and pre-proposal coversheet, and other pertinent information are available on the Energy Center's website at:
<http://www.iowaenergycenter.org/funding/gp-research>.

For questions and additional information, please contact the Iowa Energy Center.
